**COMMENTS OF WRIGHT BROADCASTING SYSTEMS, INC.**

Comes now **WRIGHT BROADCASTING SYSTEMS, INC.** ("Petitioner"), by Counsel and pursuant to Section 1.415 of the Commission's Rules, hereby respectfully submits its Comments in support of the *Notice of Proposed Rule Making*, DA 03-2574 (released August 1, 2003) ("*NPRM*") in the above-captioned rule making proceeding to amend the Table of FM Allotments Section 73.202(b) of the Rules, to change the community of license for KWEY-FM from Weatherford, Oklahoma to Blanchard, Oklahoma and, to change the corresponding channel allotment from Channel 247C1 to Channel 247A. In support whereof, the following is shown:

***Public Interest Consideration***

1. Petitioner hereby incorporates its prior Petition by reference herein. As set forth in its original Petition, Petitioner believes the public interest will be served by adopting the proposed amendment since it will provide Blanchard, Oklahoma with its first local aural transmission in the service area. This new service will promote the Commission's goal of enhancing diversity of thought and opinion in the broadcast media as well as the charge of

Congress to the Commission to ensure a fair, efficient, and equitable distribution of radio services in the United States<sup>1</sup>.

2. In addition to the first local service to Blanchard, Oklahoma, a significant increase in population being served is supported by the engineering data in the Petition. This clearly outweighs the small number of loss in the Weatherford area.

3. Finally, Weatherford would not be deprived of its only local service since it is already served by Petitioner's Station, KWEY (AM).

### ***Statement of Continuing Interest***

4. Petitioner hereby reiterates its intention that, should the Commission grant Petitioner's request and ultimately adopt the proposed amendments to the FM Table of Allotments set forth in the *NPRM*, Petitioner will file an application and/or applications to effectuate the implementation of this Proposed Rulemaking. Attached hereto is a Statement of Continuing Interest by G. Harold Wright, Jr., President of Wright Broadcasting Systems, Inc. which reiterates his continuing interest in this request to obtain rights to the proposed Channel 247A at Blanchard, Oklahoma.

### ***Conclusion***

**WHEREFORE**, the above premises considered, Petitioner respectfully urges that the Commission GRANT its Petition for Rule Making, and AMEND Section 73.202(b) of the Rules, FM Table of Allotments, as follows:
